COPYRIGHT TRANSFER TO Energynautics GMBH
(Copyright Agreement)

Dear Author,
please read the following Copyright Agreement carefully. As author/co-author you especially assure to dispose of the exclusive copyright in the transmitted contribution, consisting of papers, presentation-files, posters, pictures and / or video / audio recordings.

The author(s) hereby confirm(s) that they are the sole authors of the contribution, that he/they is/are entitled to grant the following licenses and that he/they has/have so far not transferred any rights which would be in conflict with the licenses under this agreement to third parties.

The author(s) give(s) his/her permission

- ***to the production of audio and video recordings of his/her presentation by Energynautics GmbH and***
- ***to any reproduction / modifications of the recordings, be they on/for electronic media, tangible media etc.***

The recordings and any reproductions will become part of the contribution.

The author(s) hereby transfer(s) to Energynautics GmbH the following rights to the above referenced contribution worldwide, royalty-free, perpetually, non-exclusively and non-revocable:

- ***the right to publish in the conference publication (electronically, too),***
- ***the right to copy and distribute (publishing right) commercially,***
- ***the right for electronic publication including the necessary modifications, the storage on electronic media, the download and the making available in an online data base / onlineshop for free or for fees, and the conference web page and exploitation types of yet unknown types of use,***
- ***the right to use the contribution for presentations, for the design of the conference publication and for promotional activities regarding the conference publication and the publishing house.***

The moral right of each author remains unaffected (All rights of the author remain unchanged). **Any other subsequent publication of the contribution in other media has to be provided with the note: "This paper (presentation files/pictures/video/audio) was presented at the 2nd Solar Integration Workshop and published in the workshop's proceedings".**

In case contributions have been submitted by data storage media (e.g. CD-ROM, USB-memory stick) the author(s) declare(s) that only licensed software programs which are in conformity with the respective license regulations have been used. This applies to data files which were submitted by file transfer as well. Furthermore he confirms that no performance protection rights of third parties are violated in this area. For all audio and video productions, the author is bound by law to register with the GEMA.

In the event of infringements, Energynautics GmbH assumes no liability whatsoever and is released from all legal claims. The author(s) will indemnify Energynautics against all claims raised by third parties owing to the infringement of intellectual property rights by exercising the above referenced licenses.

The author(s) declare(s) that any remuneration claims resulting from moral rights have been compensated by the reduction of his/her Workshop participation fees.

For all claims arising out of the business relationship with authors being merchants or with authors having no general place of jurisdiction within the Federal Republic of Germany, or having changed his/her general place of jurisdiction or place of residence to a place outside of the Federal Republic of Germany, or his/her place of residence is not known by the time the complaint is filed, the exclusive place of jurisdiction shall be Frankfurt / Main. This contract is governed by German law excluding the rules of the UN convention on the international sale of Goods (CISG).
